

## Information in advance for your bike tour

Soon it will be time for your cycle dreams to come true! On the following pages we would like to provide you with some useful information in advance. We already wish you lots of fun with your upcoming bike tour.

## GENERAL INFORMATION

---

This letter provides general information about your booked bike tour. Your travel documents (one package per room) will be stored at the start hotel. Please ask for it at the hotel reception.

**Please note:** Any applicable spa and local taxes or tourist taxes are not included in the tour price and must be paid in cash at the hotel.

**If you arrive after 6 p.m., please give the hotel a short call, so they are informed!**

If you have booked half board and the restaurant is not directly at your accommodation, we have reserved a table for you in a restaurant nearby. You will find the voucher with time details in your travel documents.

## BIKE & WELLNESS IN THE ROTTAL SPA TRIANGLE

---

Relax, feel good, be fit and active - that's the motto of this cycle tour. Cycling and wellness in the Rottal spa triangle means cycling in the fresh air, discovering beautiful landscapes by bike, experiencing nature and culture up close.

Enjoy a massage, bathe in the warm thermal water or reflect on the day's cycling with a mud pack. Bad Füssing is a place that sees itself as an oasis in the hectic hustle and bustle of our time. In 30 years, Bad Füssing has developed from a hamlet to a world-renowned spa and is now one of Europe's leading spas.

The thermal spa complex with more than 2,800 square meters of thermal water in 18 different pools, the sauna paradise with 1,000 square meters and the numerous wellness offers provide a limitless health offer. Three modern bathing facilities, extensive parks, numerous cultural attractions and an extensive network of cycle paths fulfill every wish.

We recommend, not to wear clothing with tight seams and buttons. It is also recommended to wear special padded cycling shorts as well as a cycle helmet.

If you need a helmet, this have to be booked through your tour operator at least one week before arrival (rental helmet € 19,- / purchase helmet € 49,-).

On hot days, it is advisable to wear hat, sun cream and sunglasses. Don't forget your swimsuit for any swimming opportunities along the route!

**TIP:** You should also always carry rainwear and spare clothing in your saddlebags.

## BIKES

---

A bicycle of prime quality is most important for a successful cycling holiday. Therefore we use solid quality for all components and in the production, on basis of proven and tested quality. That way we are able to guarantee best comfort and safeness on roads and bike paths.

- Our bikes are branded touring bikes, smooth-running, equipped with 21-speed derailleur gears and freewheel. On request, we can also provide 7-speed unisex bikes with hub gears, coaster brake and 2 V-brakes.
- Our electric bikes are pedelecs with a pedal-assisted electric motor up to 25 km/h. They are 28-inch bikes (unisex) with 8-speed hub gears incl. LCD display, bike computer and power consumption display.
- Our premium bike is a sporty 27-speed with freewheel and crossbar. Equipped with hydraulic Magura HS 11 brakes and Shimano Deore XT gears, as well as a high-quality Suntour suspension fork.
- All bikes are equipped with a comfort gel saddle (with a seat post diameter of 27,2 mm).

**Please note that GPS device is not part of the standard equipment of our bikes.**

Of course, the complete equipment also includes suitable accessories - optimally matched to our bikes and particularly robust and solid, only from well-known quality manufacturers:

- Saddle bag (water-repellent)
- Handlebar bag (water-repellent)
- Tool/repair kit (with spare inner tube) for small independent repairs, for larger breakdowns please contact the service hotline or the office hotline directly
- Air pump
- Combination lock

You can leave the rental bikes in the last hotel at a place provided by the hotel management.
